The pay of the last class maybe fixed at Rs 25 instead of Rs 30 - The incremental pay in this case of Rs 1 per month will come to Rs 557½ per month. The increase is chiefly due to increase in pay of workers. The present pay is inadequate and it has been found extremely difficult to find men for the difficult work, on account of the inefficiency of men in this establishment. Final Note by the Second Member of Council.

Subject:-

118/Revision of the general establishment of the Bangalore Central Jail, the Mysore Jail and the Office of the Inspector General of Prisons.

119/ In September 1919, the Inspector General of Prisons submitted certain proposals for the reorganization of the establishments attached to his Office and to the Jails at Bangalore and Mysore providing both for an increase of the number of hands and the rates of pay and involving an extra expenditure of Rs. 8,850 per annum. As only a sum of Rs.6,000 had been provided in the budget for this purpose, the Inspector General was asked to revise the proposals so as to bring the additional expenditure within the budget allotment. The revised proposals received from the Inspector General, with certain alterations suggested by me, were considered in Council in December 1920. Having regard to the high prices allowance sanctioned in the meantime, the Council suggested a further revision of the proposals. After personal discussion of the matter with the Inspector General, I was of opinion that a wholesale re-organization of these establishments on the lines suggested by the Inspector General was inexpedient in the present state of our finances and that it was sufficient if only such of his proposals as were necessary to meet the immediate requirements were sanctioned.

120/2. I accordingly formulated my recommendations as follows in my minute of 22nd April last:-

27 of Office Notes "In view of the present financial condition and the relief already afforded by the grant of high price allowances, the question of revising the rates of pay of these establishments may be deferred for the present.

"It is proposed to designate Assistant Jailors as clerks as they are actually employed on clerical work. This may be approved.

"There is now a temporary clerical establishment consisting of 6 hands. The Inspector General proposes to make this establishment permanent on slightly revised rates of pay as follows:-

Present.		Proposed.	
Inspector General of Prison's Office.			
1 Record Keeper on	Rs.35	1. Record Keeper on	Rs.45.
Central Jail, Bangalore.			
1 Clerk on	.30	1 Clerk on	Rs.30
1 Munshi on	20	1 Clerk on	Rs.25
1 Deputy Munshi on	Rs.15	1 Clerk on	Rs.20
Mysore Jail.			
1 Clerk on	Rs.30	1 Clerk on	Rs.20
	Rs.130		Rs.140

"This recommendation may be sanctioned. It involves no extra expenditure as, against the excess of Rs.10 over the present cost there will be a saving of Rs.10 by the proposed discontinuance of the temporary Head Warder of the Central Jail.

"The allowance of Rs.2/- given to the Warders in addition to the High Prices allowance may be continued in lieu of the increases of pay now recommended to them.

"The post of Deputy Jailor of the Central Jail is vacant and is filled temporarily by the Probationer. This opportunity may be taken to reduce the pay of the appointment from Rs.100-4-120 to Rs.80.

"The net result of the above proposals will be a saving of Rs.33 $\frac{1}{3}$ per mensem".

Letter No.1798/130-19 dated 1st September 1919 from the Inspector General of Prisons in Mysore, Bangalore to the Comptroller of Mysore, Bangalore.

In reference to your letter No.TAD.A.286 dated 21/22nd August 1919 I have the honour to intimate that progressive pay has been proposed in the case of the marginally noted posts for the following reasons:-

2. The better management of work in my office depends absolutely on the Manager who is expected to be thoroughly conversant with not only the rules and regulations in force in the Department, but also the technical nature of the jail work. Similarly, the Jailors and Deputy Jailors of Jails on whom depend the proper supervision of the Jail industries, are also expented to have a thorough knowledge of Prisons Rules and Regulations. If, at any time, these officers fail to do their work to the satisfaction of their superior officers, it becomes necessary that their increments should be withheld as a punish ment. Hence the recommendation for progressive pay in their case. The enclosures returned with your letter under reply are herewith retransmitted.

~~General and Revenue Departments~~

(THROUGH THE COMPTROLLER IN MYSORE)

SIR,

1. Establishment of the Central Jail, Bangalore
2. Establishment of the Mysore Jail; and
3. Establishment of the I.G. of Prisons

I have the honor to submit herewith, for favourable consideration of Government, a proposition statement for the revision of the marginally noted establishments of the Prisons Department. A sum of Rs. 6000/- has been provided in the current year's budget of the Department for the revision of establishments, and the excess amount on account of the proposed revision - which amounts to about Rs. 411 a month or Rs. 4935- a year - can be met therefrom.

2. I have proposed the revision in the interest of Government work, after a careful consideration of pros and cons, regarding the present condition of the Department, especially in respect of work as compared with that existed in 1897, when the scale of pay of establishments was fixed. Since then, the work has nearly trebled itself and the correspondence and the preparation of reports and returns have considerably increased. But, the pay and prospects of the officials remain as they were. Further, Government Order No. R. 2204-43/L.R.18-06-2 dated 18th August 1906 prohibits the officials from seeking employment in other departments, and consequently, they have become compelled to stagnate where they are employed. Under rules regulating the conduct of public servants, they cannot engage themselves

themselves in any private work in order that they may earn at least something to make both ends meet. The pay of these officials is not in conformity with the pay of the officials of similar status in other departments, but is far below than what the latter are getting, although the work in those departments is in no way heavier than what it is in this Department.

3. In this connection, I have to bring to the notice of Government that the Prisons Department comes under the head "Protection", and as such it is neither a productive one nor is it expected to be so. Notwithstanding the above fact, the stoppage of extra-mural employment of prisoners and the improvement of industries as has been proposed by me would greatly increase the income of the Department.

4. I have recommended in my letter No. 1768/17-07 dated 16th November 1918 that the Jailors and Deputy Jailors of both the Jails in the State should get some allowance for the supervision and management of industries. In case the Government approve of this suggestion the increase of pay now proposed need not be sanctioned in their case.

5. Under the circumstances, I request sanction of Government for the proposed revision with effect from the beginning of the current official year.

I have the honor to be,

Sir,

Your most obedient servant,
